

Trout Adventures Fly Fishing the Atlantic Islands is another Trout Adventures book about searching the world with a fly rod. This time Author Bob Willis is in England, Wales, Scotland, Ireland, Iceland and Greenland with his fly rod and camera wading the rivers and floating on the lakes. This book is about the technical fishing of the British Isles and the search for Gillaroo, Sonaghon Trout, Arctic Char and Sea Trout. This book will be available in 2015 and will be posted on this site as soon as it is published.
